

# diy rosette gift box templates

© 2013, Kristen Magee, Papercrave.com for The Paper. For personal, non-commercial use only.

# INSTRUCTIONS

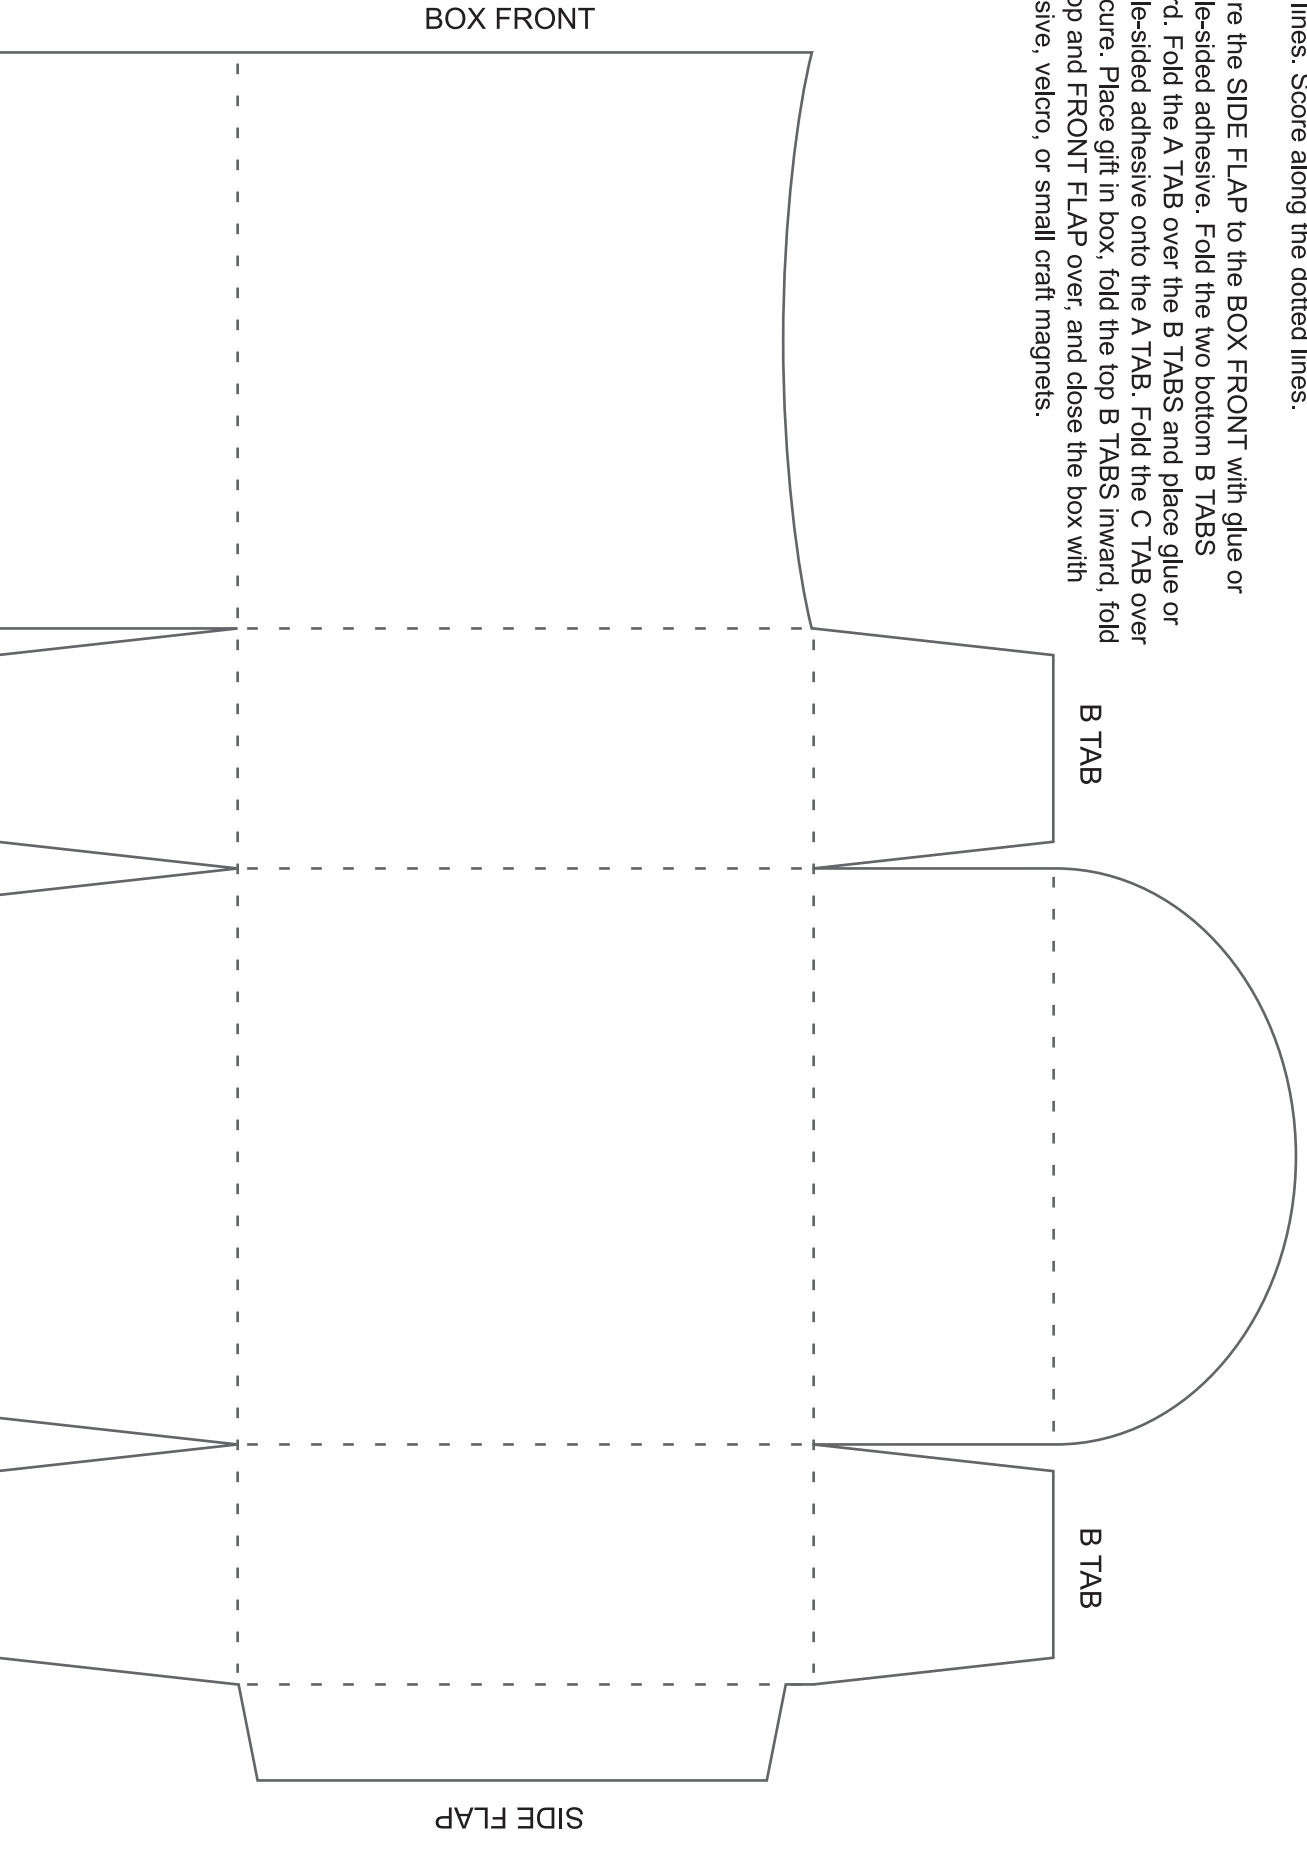

Print the box template onto card stock and cut out along the solid lines. Score along the dotted lines.

Secure the SIDE FLAP to the BOX FRONT with glue or double-sided adhesive. Fold the two bottom B TABS inward. Fold the A TAB over the B TABS and place glue or double-sided adhesive onto the A TAB. Fold the C TAB over to secure. Place gift in box; fold the top B TABS inward, fold the top and FRONT FLAP over, and close the box with adhesive, velcro, or small craft magnets.
